

Announcement: Woburn Hall of Fame Induction Event Postponed to 2022

To The Editor:

Due to the continuing challenges of the pandemic, and the limits still in place on large-scale gatherings, the Woburn Hall of Fame Committee has made the difficult decision to postpone the event to honor the second class of inductees to May 21, 2022.

We are grateful for the continued understanding of the inductees, our event sponsors and the cooperation of the Hilton Boston/Woburn. This collective support will help us produce a high-quality event that fully honors the achievements of the inductees, and that also ensures that all attendees can enjoy with confidence.

Efforts will ramp up in the fall to re-energize this event, with the launch of ticket sales and the engagement of additional sponsors to support Woburn's newest institution and celebration of Tanner Pride. More information will be coming soon. Until then, we invite our community to visit our event page at <https://bit.ly/WoburnHOF>

Thank you,
