

2022 Inductee: Contributions to Athletics

Woburn High School Field Hockey 1975 Championship Team

The 1975 Woburn High Field Hockey Team boasted a 13-3 regular season record, and went on to win the Division 1 District 1 State Championship.

The team was recognized by the Commonwealth of Massachusetts and Speaker of the House Thomas McGee in 1975 for their leadership and sportsmanship, stating that they represented “the greatest hope for our future.” In the same proclamation, their coach Paula Mullen was also recognized for her leadership and contributions to the success of the team.

Many members of the 1975 Field Hockey Team continue to lead and inspire the Woburn community as educators, coaches, health care professionals and in law enforcement. We are grateful for their service, and for their community spirit. We are proud to induct this impressive group of women, members of the 1975 Field Hockey Team , into the Woburn Hall of Fame.
