

## **2024 Inductee: Distinguished Alumnus**

### **James J. Foley '52**

James "Jim" Foley was a true-blue Woburnite who found personal and professional success and fulfillment in the city he loved so much. As an educator at Woburn High School, he advanced from the classroom to administration, becoming one of the first Headmasters at Woburn High, and ultimately Principal in 1981, a position he held for thirteen years. As a young man with a growing family, Jim became involved in school sports as a coach in basketball and referee in football. His involvement in refereeing continued throughout his life, at many levels up through Division I, and included instructing and teaching refereeing skills for the New England organization.

Jim was dedicated to his profession and the to success of Woburn High School and was well-respected by teachers and students alike. His love of Woburn inspired the same in his students, and this undoubtedly inspired many of the Woburn leaders of today.

In honor of his dedication to the Woburn community as an educator and a leader, we are proud to induct James J. Foley as a distinguished alumnus into the Woburn Hall of Fame.

**We invite our community to join in this celebration of Tanner Pride by supporting the Woburn Hall of Fame induction event at the Hilton Boston/Woburn on Saturday, May 18, 2024.**
